FINANCE COMMITTEE

Executive Director said the professionals have been well aware of the financial impact that the Educator's Health Plan is putting on some of our groups. We suggest a Finance Committee meeting to discuss the resources that the Fund may have to assist. Some groups may be more affected that others, so the invitation will be open to all commissioners but with a Committee structure. Program Manager said they are closely tallying the numbers that are coming out for the NJEHP plans and they are on average 25%. He said when speaking with the BA's the good thing about having a large surplus is it allows the Fund to utilize it in these types of situations.

AMERIHEALTH (AHA) CONTRACT

Executive Director said we have continued to work with AHA on updating their contract. She said we do have a draft version and are doing a final review. She said we should have fully executed contracts by the end of the year.

INDEMNITY AND TRUST AGREEMENTS

Executive Director said in order to be in compliance with the Fund bylaws all members should have a current indemnity & trust agreement with the Fund that also needs to be filed with the State. She said a list of all groups renewing for 1/1/2021 is included in the agenda. She said to please reach out to kkamprath@permainc.com for a blank form and resolution to renew membership to be completed at the next board council or board meeting.

- Monthly Billing -As a reminder, please be sure to check your monthly invoice for accuracy. If you find a discrepancy, please report it to the Coastal Fund enrollment team. The Fund's policy is to limit retro corrections, including terminations, to 60 days. We have noticed an increase in requests for enrollment changes, billing changes, terminations and additions well past the 60-day time frame. Moving forward, it is of the utmost importance to review bills for rate and enrollment accuracy on a monthly basis. If there is an error, please bring it to our attention.

GUARDIAN NURSES

Ms. Murray provided an update on the Guardian Nurses program.

As most of you already know, the Guardian Nurses began serving the Coastal membership on April 1, 2020. Since then, the Nurses have had many encounters with our members, all with excellent reviews for services provided. The Nurses have already proven to be invaluable as a personal healthcare advocate, cutting through red tape, educating and clarifying medical information so important medical decisions can be made, providing emergency assistance and more. It is important to note that the Nurses are a key piece of your health care benefits and have been authorized to work with medical providers, labs and other facilities, hospitals and also the health care carriers Aetna and AmeriHealth Administrators.

Some of the services provided are:

- VISIT YOU AT HOME or in the hospital to assess your care needs.
- BE YOUR GUIDE, coach and advocate for any healthcare issue.
- MAKE APPOINTMENTS for you so you can be seen as quickly as possible.
- GO WITH YOU to see doctors, to ask questions and to get answers.
- **IDENTIFY PROVIDERS** for all care needs and second opinions.
- GET THINGS YOU NEED such as healthcare equipment.
- PROVIDE DECISION SUPPORT when you are thinking about treatments or surgery.
- EXPLAIN A NEW DIAGNOSIS to help you make informed decisions.

We have shared several informational email messages and several flyers since April for distribution to your employees. If your employees don't know who the Guardian Nurses are, they will not be inclined to request their services. So, we are asking for your help in getting the word out that the Guardian Nurses are available. If you would like them to attend a staff meeting, a faculty meeting, an in-service event, a professional development day, a wellness event or any type of opportunity to be introduced and be of service, they are available. Please consider having your school nurses develop a relationship with the Nurses so that they become part of your wellness endeavors. They are also available to address COVID-19 issues and have already successfully conducted virtual "town hall meetings" which can help deal with stress and anxiety...for adults, as employees, and also for dealing with children.

Please let us know if you have any questions about the Guardian Nurses and how to introduce them to your staff. We look forward to them becoming a more familiar face for our healthcare benefits. Our two Nurses assigned to the Coastal HIF are Lauren Gant/609-276-4990 and Charlie Reiter/609-276/5001.

<u>ANNUAL OPEN ENROLLMENT</u> (not to be confused with the Special Open Enrollment for School Districts)

As a reminder the annual Coastal Annual Open Enrollment for those groups who conduct their Annual Open Enrollment for January 1st, will begin on **11/2/2020** and will close on **11/13/2020**. The deadline for entities to enter Open Enrollment changes in Benefit Express is **11/20/2020**. As in the past, this will be a *passive Open Enrollment*. This means that only members who want to make a change need to complete an open enrollment form. Members who want to keep their current elections do not need to take any action.

EXPRESS SCRIPTS UPDATE

2021 National Preferred Formulary Update

ESI announced their Basic Formulary updates for the 2021 plan year. ESI will work to make the transition to more affordable medications as simple and seamless as possible for any member who is impacted:

- •The percentage of members required to switch to preferred medications will receive personalized notifications, reminder communications and targeted alerts about preferred options. ESI will notify physicians and pharmacists before the exclusions become effective.
- •ESI's Academic Detailing pharmacists and Accredo® Physician Engagement team are actively educating prescribers on lower-cost alternatives.
- •Proair, Respiclick and Ventolin HFA are leading at a combined disruption of 0.966%
- •We are seeing quick movement to albuterol HFA not only from Proair HFA but also the single source brands. At the end of July, we've already seen 63% of brand claims converted to generic.
- •For this reason, we anticipate the disruption % will be significantly lower by 1/1/21.

Fund entities wishing to comply with this order may do so by completing and returning the Plan Document
