

# UPDATE TO AMERIHEALTH ADMINISTRATORS ID CARDS

## WHY IS IT CHANGING?

Due to a new law passed in December 2020 called the “No Surprises Act”, health insurance providers are required to disclose additional key information regarding your health plan.

## HOW ARE THE CARDS CHANGING?

The new ID card layout will display your plan’s deductibles and out-of-pocket limits. It will also show carrier contact information that members can use to find in-network providers.

## WHEN WILL I SEE THIS CHANGE?

Effective January 1st, 2022, all AmeriHealth Members will be receiving new ID cards.
